I am satisfied with the Fellowship Program	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

4. Alumni

* 1. What are your plans following the end of the program?

* 2. We rely on our alumni for the continued success of our program. Please indicate ways you would be willing to help WorldTeach. Please note that we anticipate your future cooperation, and greatly appreciate your support.

- ☐ I would not like to support WorldTeach as an alum in any of the following capacities.
- ☐ Country Expert: During the application process we have two important conversations with potential volunteers, one being the admissions interview conducted by the Director of Admissions and the second is answering questions about the program and the experience. That's where our alumni come in and serve as country experts. Country experts serve 3 month terms (extending is possible). Your photo and a short bio is posted on the website. Once applicants have completed the interview portion a link to the country experts page is shared with the applicant allowing access to read about your experience and reach out to you by email to ask country and program specific questions.
- ☐ College Fair Recruiter: Help represent WorldTeach at recruiting events sponsored by colleges and universities. We will send you the necessary information and materials to display at the event including a sign-up sheet, flyers and other WorldTeach materials. Your role would be to prepare a table to display, share your experience with potential candidates, have them sign up to be contacted in the future for WorldTeach program information, and follow up with a brief fair evaluation. You may be partnered with other returned volunteers to help you recruit potential candidates. We are constantly expanding our programs and college outreach events are essential means of increasing our applicant pool. Additionally, this is a fun opportunity to get others excited about international volunteerism and teaching by sharing all your great stories.
- ☐ University Ambassador Outreach: WorldTeach seeks alumni to lead recruitment, outreach, and community-building initiatives on the university campuses where they live, study, work, or attended. University Ambassadors serve as a bridge between colleges and the WorldTeach headquarters in Boston, MA, and spearhead WorldTeach expansion efforts by spreading the word about its mission in communities across the country that it would otherwise not be able to do. WorldTeach would supply materials and training for you to facilitate info sessions, speak to different campus departments, distribute flyers, and contact professors.

Please note the locations/institution of your availability
